You may register through our app or at the point of sale in-store at a Participating Merchant.

Once you have registered with us and wish to make a purchase from a Participating Merchant you must provide your customer number to the sales assistant. You will be asked to select your payment preferences and to confirm the details of your Openpay Plan. Once your preferences have been confirmed you will receive an email to your nominated primary email account confirming your plan details, including your payment obligations.

4.3 Credit checks

We may conduct a credit check on you, which may include ordering a report from a credit reporting body and any information we collect about you will be handled in accordance with our privacy statement (see clause 14). We may also seek further information to verify your identity, which you must provide to us on request. We reserve the right to reject for any reason an application to be registered as an Openpay customer and/or an application for an Openpay Plan.

5. Your payment obligations

5.1 First instalment payment

At the time you make a purchase which is, or is to be, financed under this Agreement, you must pay us an initial payment (**first instalment**) for the first instalment.

This first instalment must be paid using your Nominated Card and is payable within the Participating Merchant's store at the time of purchase or, where you make a purchase from a Participating Merchant's website, at the time of your online purchase.

5.2 Pre-Authorisation

When you make a purchase which is to be financed under this Agreement, we may conduct a pre-authorisation on your Nominated Card for a portion of the total amount due under the Openpay Plan before we agree to fund your purchase.

Once the pre-authorisation is processed, we will then instruct your financial institution to cancel the pre-authorisation.

Note: No funds are taken from your account at pre-authorisation but a temporary 'hold' is placed on the funds. Once we have cancelled the pre-authorisation, it may take up to seven days for your financial institution to release the funds and before you are able to access them.

5.3 Paying the Participating Merchant

Subject to you paying the first instalment, we will finance the balance of the purchase price in the amount specified in the relevant Openpay Plan by paying that amount to the Participating Merchant on your behalf and debiting that amount to your account with us.

5.4 Your Repayments

You must repay the amount of credit we provide in relation to a purchase we finance under an Openpay Plan by making each instalment payment specified in the relevant Openpay Plan without set-off or deduction and on or prior to the payment date for each instalment. You must reimburse us any tax that we may be required to pay in connection with your purchase and any payment you make to us.

Unless you inform us that you wish to make a particular instalment payment by cheque or money order (see clause 5.5 below) or you make an instalment payment before its due date, you direct and authorise us to charge the amount of any instalment to your Nominated Card on the date on which the instalment is due without any set-off or deduction.

You may make any instalment payment sooner than its due date without any additional cost.

Openpay will send to your nominated primary email address payment reminders before each scheduled instalment payment date. Openpay accepts no liability for emailed payment reminders sent to your nominated email address that fail to arrive due to system failures, power outages, hardware or software defects or natural events.

5.5 Methods of payment

You may make instalment payments under your Openpay Plan in the following ways:

5.5.1 by your Nominated Card; and/or

5.5.2 by cheque or money order sent by post to Openpay Pty Ltd, 139 Moray Place, Dunedin Central, Dunedin 9016, quoting your Openpay Plan reference number.

You may also contact us for electronic funds transfer details if you wish to make full payment of the Outstanding Balance.

For all instalments made by your Nominated Card, you must ensure there are sufficient funds available to allow each instalment to be charged to the Nominated Card when it is due. You agree to notify us promptly in writing if the Nominated Card specified in any Openpay Plan that forms a part of this Agreement is cancelled, suspended, expires or is due to expire or otherwise ceases to be a means by which we may collect payments while payments remain owing. In this case, you must immediately nominate another credit or debit card in your name issued by a New Zealand financial institution or pay the outstanding balance and all other amounts payable under this Agreement.

6. Fees and interest

6.1 Interest

Openpay Plans are interest free. You will not be charged interest on your Openpay Plan.

6.2 Fees

If you meet all your payment obligations under this Agreement, you will not be charged any Default Fee or Plan Closure Fee in connection with this Agreement.

Fees may become payable under this Agreement if you fail to pay an instalment as follows:

6.2.1 **Default Fee** of up to \$7.50 if you fail to pay an instalment due under this Agreement; and

6.2.2 **Referral Fee** of \$17.50 if you have failed to pay an instalment due under this Agreement and the payment is still unpaid eight days after the payment is due.

Openpay may, at its discretion, reasonably delay applying, or waive wholly or partly, any Default Fee or Referral Fee. No such delay or waiver will be taken to restrict us in charging those fees in the future. If any Default Fees or Referral Fees are or may be incurred as a result of Openpay's error, please let us know, and we will waive or refund those fees.

7. Default and its consequences

7.1 Events of default

You default under this Agreement if:

7.1.1 you fail to pay any amount when due;

7.1.2 you fail to comply with any of your obligations under this Agreement;

7.1.3 you become bankrupt, die or have a guardian or administrator appointed;

7.1.4 your Nominated Card is cancelled or suspended or our attempt to process a payment is declined for any reason; or

7.1.5 we discover you deliberately gave us misleading or untrue information about a matter material to our risk in relation to this Agreement.

7.2 Consequences of default

If you default under this Agreement:

7.2.1 a Default Fee will apply and must be paid immediately; and

7.2.2 if the default is of a kind which can be fixed, we may send you a notice requiring you to fix the default within 14 days, failing which, we may terminate the Agreement and the Outstanding Balance will become immediately payable together with all other amounts payable under this Agreement; and

7.2.3 if the default is of a kind which cannot be fixed, we may send you a notice terminating the credit contact and requiring payment of the Outstanding Balance within 14 days together with all other amounts payable under this Agreement.

On termination of this Agreement due to your default, you authorise us to charge the Outstanding Balance to your Nominated Card and you acknowledge that it may be necessary for us to charge your Nominated Card such instalments and applicable Default Fee or Referral Fee individually. This may mean the statement for your Nominated Card lists multiple debits charged by us that in total equal the overall amount you owe us.

7.3 Nominated Cards

If you change your Nominated Card without telling us or if your Nominated Card is dishonoured, we may charge to any previous Nominated Card any outstanding amounts under your Openpay Plan unless you have instructed us otherwise.

Where your payment of an instalment is dishonoured, we may reattempt to debit the amount from your Nominated Card at a later date. You will be liable to your card issuer or financial institution for any dishonour fees incurred on your Nominated Card.

7.4 External debt collection services

If you are in default and we are unable to collect any outstanding amounts you owe to us, we may engage a debt collector to recover amounts owing under this Agreement. You must pay for any reasonable enforcement expenses we incur in exercising our rights to recover any outstanding amounts due under the Agreement.

7.5 Withholding goods or services

You acknowledge that where goods or services you purchase using an Openpay Plan are to be delivered after the time of your purchase, the Participating Merchant may, under instructions from us, withhold delivery of those goods and services if you are in default under this Agreement and we believe it is reasonably necessary to protect our legitimate interests. You authorise us to act as your agent to suspend, terminate or cancel your agreement with the Participating Merchant for delivery of the relevant goods or services in accordance with that agreement's terms and conditions.

8. Refunds

If a Participating Merchant approves and pays to us a refund of the purchase price for any purchase you made from that Participating Merchant that was financed under your Agreement, we will refund the amount of any instalment payments you have made by crediting those amounts to your Nominated Card account and you will not need to make any further instalment payments in respect of that purchase. We do not charge you a fee in connection with this.

9. Relationship between Openpay and Participating Merchants

You acknowledge that a Participating Merchant may pay us a fee in respect of each Openpay Plan used by you to finance the purchase of goods or services from the Participating Merchant.

10. Dealing with our rights and obligations

We may assign or novate to any person or entity or otherwise deal in any manner with any of our rights, obligations or interests under this Agreement and you consent to us assigning or novating this Agreement.

11. Notices

- 11.1 You agree that we may give you any notice or document regarding this Agreement and otherwise communicate with you by email, post or personal delivery to any addresses you notify to us.
- 11.2 You may give us any notice or document regarding this Agreement by email to info@openpay.com.au, by post or by delivery to our office at 139 Moray Place, Dunedin Central, Dunedin 9016.
- 11.3 You agree to notify us promptly in writing if you change your name, residential address, email address or other contact details.
- 11.4 You agree to notify us promptly in writing if your Nominated Card is cancelled or suspended or otherwise ceases to be a means by which we may collect payments and you must immediately nominate another card or pay the outstanding balance of instalments and all other monies (including any Default Fee or Referral Fee) payable under this Contract and your Plan.

12. Termination of your Openpay Plan

- 12.1 Without limiting our rights under clause 7.2 to terminate this Agreement for your default, we may also terminate this Agreement by notice to you after the expiry of all Openpay Plans forming part of this Agreement.
- 12.2 If 12 months has elapsed following expiry of all Openpay Plans, this Agreement shall be deemed to have terminated.
- 12.3 You can terminate this Agreement at any time by contacting us, provided the Outstanding Balance (if any) has been paid in full to us and no disputes or refunds are in progress.
- 12.4 On termination of this Agreement for any reason, you must immediately pay all amounts owing under this Agreement including any Default Fee or Referral Fee without set-off or deduction.

13. Governing law

This Agreement will be governed by and construed in accordance with New Zealand law. You agree to submit to the non-exclusive jurisdiction of the courts of New Zealand.

14. Privacy statement and consent

You agree that we may collect, use, disclose and store any personal information that you provide to us, or authorise us to collect, in accordance with our Privacy Policy, available at <https://www.openpay.com.au/nz-privacy>. Please read this policy carefully as it contains
