**Cookie Policy**

https://www.openpay.com.au/ (the "Site") uses cookies. By continuing to browse the Site, you are agreeing to our use of cookies.

This cookie policy describes;

- what cookies are;

- why we use them;

- which cookies we use; and

- how you can manage cookies used on our Site.

**What are cookies?**

A cookie is a small file of letters and numbers which is placed on your device via your browser when you visit the Site.  Some cookies that we use may collect personal data about you.  In our privacy policy https://www.openpay.com.au/docs/au-privacy.pdf, we explain what personal data we collect about you and how we use it.

**Information about our use of cookies**

Our website uses cookies to distinguish you from other users of our website. This helps us to provide you with a good experience when you browse our website and also allows us to improve our site.

**What cookies do we use?**

We use the following cookies:

**Strictly necessary cookies.** These are cookies that are required for the operation of our website.

**Analytical/performance cookies.** They allow us to recognise and count the number of visitors and to see how visitors move around our website when they are using it. This helps us to improve the way our website works, for example, by ensuring that users are finding what they are looking for easily.

**Functionality cookies.** These are used to recognise you when you return to our website. This enables us to personalise our content for you, greet you by name and remember your preferences (for example, your choice of language or region).

**Targeting cookies.** These cookies record your visit to our website, the pages you have visited and the links you have followed. We will use this information to make our website and the advertising displayed on it more relevant to your interests. We may also share this information with third parties for this purpose.

You can find more information about the individual cookies we use and the purposes for which we use them in the table below:

| Cookie | Name | Purpose | More information |
|---|---|---|---|
| Websales Customer Authentication Cookie | Prod_AU_WebSales | This is the only cookie our site uses to Authenticate user.<br><br>Recognise you when you return to our site. | Secure cookie |

| | | | |
|---|---|---|---|
| Customer Portal Authentication Cookie | identity | This is the only cookie our site uses to Authenticate user in customer portal. | |
| Request Verification Token Cookie | __RequestVerification Token | This cookie is used as an anti forgery token to ensure forms are submitted by the user. | Secure, Session cookie |
| Session Cookie | ASP.NET_SessionId | The cookie is used to identify the users session on the server between requests. | Secure, Sesson cookie |
| Cookie consent cookie | openpay_cookie_cons ent_20190101 showCookieDialog | The cookie is used to indicate the user has consented to the usage of cookies in this website. | |

Please note that third parties (including, for example, advertising networks and providers of external services like web traffic analysis services) may also use cookies, over which we have no control. These cookies are likely to be analytical/performance cookies or targeting cookies.

**How can you manage the cookies on our Site**

Cookies do a lot of important jobs on our Site.

However, in most cases, we will need consent to use cookies on the Site. The exceptions are where the cookie is essential to provide an element or inherent functionality of the Site. Where you provide consent, you can withdraw this at any time. In particular, you are able to disable cookies used on the Site, if you would like to, at any time. If you do so, you may find that certain parts of the Site do not work at all, or do not work correctly.

You can usually disable and/or delete all types of cookies by using your browser settings. Cookies are generally easy to disable and/or delete, but how you do so varies from browser to browser. The "help" function within your browser should tell you how to do it. The best way may be to close your browser and then search for "cookie folder" or "cookie manager" or simply "cookie". Further information on deleting or controlling cookies is also available on www.allaboutcookies.org and www.aboutads.info/choices.

Except for essential cookies, all cookies will expire after 48 hrs
